The Secretary of the Political Party  
Named In The Address.

Dear Sir/Madam,

The Government's proposal to privatise Northern Ireland Electricity, is such an important issue, affecting the whole community and businesses throughout the Province, that the above organisation, The Federation of Unions Supplying Electricity, are inviting representatives of all Constitutional Political Parties to attend a meeting to discuss the subject, on:

Saturday, 27th April, 1991 at 10.00a.m.

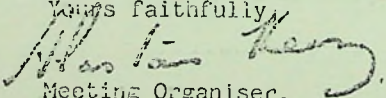

in A.E.U. House,  
26/34 Antrim Road,  
Belfast.

It is intended that the discussions with representatives and as many M.P.'s representing Constitutional Parties as possible, would be the preliminary to a lobby of the House of Commons at Westminster on 2nd May, 1991, where we hope to have over 200 members in attendance.

We would appreciate therefore, your co-operation in having representatives of your party in attendance on Saturday, 27th April, 1991.

Thanking you in anticipation.

Yours faithfully

  
Meeting Organiser.
