BILATERAL MEETING: 9 MAY 1991

1. I attach copies of the records of the bilateral meeting which took place on 9 May between the Government team and representatives of the Alliance Party.
2. These will, of course, remain confidential as between the Government team and your delegation.
3. I hope you agree that they constitute a fair and accurate record. If there are any material inaccuracies I should be glad to take receipt of suggested amendments.
