Dear Dr Alderdice

As we appear to be approaching an historic meeting of the four main Northern Ireland constitutional parties, we, the main television broadcasting organisations operating in Northern Ireland, would like to ensure that this event is properly recorded.

We would therefore request a few minutes of your time before your deliberations to film the event.

To limit the inconvenience, we suggest that we operate on a pool basis, which has worked successfully to date, strictly limiting the number of technicians involved, in your conference room.

Clearly, no journalists will be present, and no questions will be asked, preserving confidentiality.

Yours sincerely
