Dear Kevin,

Just a brief note of thanks for the copy of the proposed Convention for the Protection on Minorities'.

The 'think-in' was very useful in getting us up to speed for the talks, as indeed was the thought-provoking chat with Tom and yourself.

Thanks also for your offer of help. If these talks are to work we will need all the help we can get!

With All Good Wishes,

Yours sincerely,

Dr John T Alderdice
