

Committee Dublin (22.9.92)

J. Wilson

'sceptic' about the possibility of cooperation. The policy is one of cooperation with the intent of selling the island as a whole.

cooperation, joint marketing, economic development, merger,

"an ad hoc is not enough in the economic area"

• - structures need to be developed.

K. Reijnen's

Emotional appeal to companies to get down to the structural issues along with Alliance.

Ask P. Hynes - about the problem of corruption as well as cooperation + single European Market.
