Strand One: Nature, form and extent of new arrangements.

To secure peace and reconciliation within this region of the United Kingdom.

To establish a local administration in this region, representative of all interested parties and groups, which would work actively for political, social and economic advancement to secure a better life for all our people.

To introduce new agreed structures within an elected devolved administration ensuring the termination of the Frameworks document.

To pursue new and established policies through a Broadly Representative Committee system of Government.
