First Minister (Designate)

Dear Mr. Trimble,

## The Civic Forum

I am writing further to my letter of September 4.

At a meeting of the Irish Inter-Church Committee on September 23, the strong view was that the Churches should seek participation in the Civic Forum.

The Irish Inter-Church Meeting has representation from eleven churches, comprising most Christian opinion in Northern Ireland.

If you would wish to consult the churches on a possible process of selection from the churches to the Civic Forum we would be happy to facilitate this.

Yours sincerely,

(Dr.) David Stevens  
Joint Secretary
