- This is Ireland + Britain  
working together. This  
is an declaration about  
how effective A-1  
cooperation can be.

\* We have created the  
space to allow for  
all parties to progress  
their good faith and  
to build trust

- N.I. as a society the  
has survived the  
violence of the past  
division of the past  
our hearts are still  
with those who have  
suffered most grievously -  
We heralded the  
G.F.A. as a living  
memorial to those  
who have been killed  
or injured - the  
implication of the  
Agreement will be
