Ideas tabled to HMBCUK

concern at govts take 8 days to table them

UMP prepared to stretch this to post-10 June

loyalists gearing up - pub pubs / bookies

pressure from grass roots.

UMP? McG - going with ideas....

UMP off-pre condition

SF to review pphou in Ass. →

FM / DFM jobs to set up executive

SF being held out - UMP work

d. Charblain - move to say program

socialising with UMP

exec formed, ~~where~~ will loyalists ~~go for~~ continue to attack

no link before or after - sequencing not part of proposals.

no respond to demand; once the demand drops back

bills have approach out ... - aim to get program;

everyone judges situation better

SF sees this as blocking tactic - decou. was the one thing UMP saw we couldn't move on and they put it up in front of us. DT must condition his people for change.
