Implementation etc missing from Final Report. forgot
to ask on Wed night meeting.

(go people are so polite)

K Reid - Will actual decision take place?

All elements will take place - and
'decision' - Monday I pointed out that decision should
about asp - (statements in the round)

— SF comments

[prepared ans] UKA comments.

talk about guarantee - if this process fails
there will be no chance of decision.

Even deep on st. know that no decision if this

rounds on no - they know this is only way

- more political approach from SM this
time.

if really want decision as opposed to just talking
about decision they know that this is way f'd.

Mentice - what's smartest thing they're doing.

emotions in darker days? eg last Thursday

nominey occurs in straight line - never felt
despair or hopelessness

Must communicate well to succeed in process

FMYK - can the Review endure?

Yes - believe it can & will - right thing for people of all. resp.

I am satisfied in own heart & mind

S Gymason?

questions are about Review process, not substance

Zero expectation - what was point in review when this accelerated Winfield House.

GM - That was important point. Had to begin with the leaders - who needed to feel confident.

Always a doubt as to whether that would be the extent of agreement or if it would lead to gov conclusion.

How important is this for economy - B Graham

GM - this a superb place for investment for mutual benefit.

US peace dividend - concept applies here.

Re: Empire

tribute to Mitchell.

Gross referencing statements - true meaning for the way in coming days - our party's twin objectives have been de-emphasizing & devaluation (guys #)

Comment to media: our relationship different. (I know you ^{govt.}) felt frustrated.
