

Principles for requirements

like \in the

common theme doesn't

① Fundamental / Desirable

para 8 - which part on F + D.

the key is ~~the~~ acceptance by the committee.

para 9 there is going to be some involvement. There is going to be involved - give process

para 10 go to this first.

para 11 seems OK.

para 12 what does it mean? - the power of the individual.

refer to ~~some~~ ^{some} ~~down~~ also Republic of Ireland.

para 15 use the 'at least' - the common theme doesn't.

para 16 dictatorship can be efficient, etc / autonomy
|
| priority of acceptability

- trans the issue of the constitutional guarantee.

lit.

Useful guide - no major disparities.

dictatorship does not mean inflexibility, but only change is through the consensual process by which it came into being. No temporary expedient. Maximum delegation + maximum consensus.

July theme.

basic identity of relations docs. (in RR)

Don't accept Alliance definition.

Self-sustaining - they agree.

(15) Mutual as to common identity - some parts of extreme to
both identities - (a shared identity)

Any new system should be innovative -

Confidence: the entire community.

[2nd part of paper (too soon)]

Jim Pollock's

End to orders in Council
select committees (not for us here.)

Notes for a paper on procedural arrangements on page 11

Reviewed exp about exp competition & other parts of the UK.

- widespread support.
- workable & desirable (ie based on democratic principles)
- not to subject to paralysis. (example of Jim's plan)
- are administrative unit
- speed is nothing, but not entirely necessary at all times.
- legislative functions requires (collective responsibility)
- all truly legislative factors (role communities & role -
the community) - at equal level of participation - the whole body
is the Executive.
