

AMENDED LIST OF POSSIBLE PRINCIPLES FOR BETTER CHANNELS AS
AGREED AT MEETING OF 9/9/92

READ CHAPTER 6 AS IT STANDS

CHAPTER 7. FOR EXAMPLE===== TO NORTHAND
SOUTH BE==

- Such as to give expression and validity to main tradition? (pursuing the objectives through peaceful means) this has not been agreed as yet SDLP to present an alternative.

The following two paras have not been discussed

Read the next two paragraphs as they stand

the next amendment

- geared to the development of Governmental arrangements that are widely acceptable and aimed at protecting and enhancing the interests of the people of the island of Ireland.

the next two on the paper are still to be discussed

The following were agreed

- stable and durable

-constructive and meaningful

next amended

- be capable of development on an agreed basis in response to changing political realities.

based on reciprocity amendment to mutuality not accepted-- will be discussed further

- such as to avoid sectarian division and to encourage the development of both political entities in Ireland so that the rights of individuals and groups are respected and equal before the law. (this text was later discussed at length and the SDLP will probably be tabling a further amendment)

The following two were agreed as they are on the paper

The last 3 re terrorism, EC framework and public endorsement still to be debated
