

25.9.92

(11.00 am.)

Dublin Castle

D. Andrews

Wants to E R Quayle + C R Gunning - they would like to study this paper in depth. They also wish to write a paper on Economic + Social Cooperation.

Chamini

Suggests that we consider presenting papers by next Tuesday on Economic + also Structural issues

P. Flynn

- ① Terrorism is rampant.
- ② Represents a threat to us all.
- ③ The people are rampant.
- ④ EEC governments cooperation is a constant. (Security + legal)
- ⑤ Value of AIA = Security matters.

His principle (A) was immediately accepted with qualification as AIA by K. Rajimons.

His paper (B) on stated objectives was largely acceptable to the G - SDP were clearly very concerned + backed by US. WP have another list of objectives.

23.9.92

3.10pm

Dublin Castle

Des O'Malley, Major developments in last 2 years mostly by private individuals + CII/CBI + charter of Commerce.

J. Hume, respect of differences, institutional proposals.

interlocking nature of proposals for different strands.

① Not a sovereign state. (NSI).

② No simple majority rule.

③ NSI government controlled by an Assembly.

— separation of powers —

(Panel of 6 ministers how appointed? — possible changes?)

④. Limit the areas of common ground. (Security will be the most difficult.)

⑤ Council of Ministers — relevant ministers

⑥ Permanent Secretariat.

⑦ Popular endorsement.
