Dear Dr Abernethy,

I did want to write and  
congratulate you on your success in election  
as leader of the Alliance Party.

I have always appreciated the  
constructive discussions that I have had  
with John Cusack, either singly or with  
his colleagues, and I look forward  
to meeting you and continuing the contacts  
with you that I have valued very much  
with your predecessor.  
With kindest regards  
L. J. Taylor
