- 2.15 Presentation by Evangelical Contribution on Northern Ireland (on basis of submission no. 354)
- Questions by Members of Forum

● Denis Haughey says of "parity of esteem" 'seriously refers to the two identities in Northern Ireland.'

If Denis is getting despairing of how misunderstood he is by 'liberals' he has a real problem with unionists.

① Unfortunately failed to answer the "majority in both communities action"

② Partnerships as a way of involving community groups etc in their suggested model can not very follow-up or thought-through.
