Dear Dr Alderdice

CONFERENCING FACILITIES IN BLOCK B, CASTLE BUILDINGS

I wrote to you on 15 March to explain that in order to facilitate further dialogue over the following period we would continue to make the facilities at Block B, Castle Buildings, available to the parties as necessary.

In the run-up to the forthcoming elections it would be inappropriate to continue to make these facilities available and they are therefore being withdrawn with effect from 25 April. Should you need to make arrangements to clear any equipment or papers from your delegation rooms please contact Talks Administration (01232 522128, 522069, 522071 or 522089).

Yours sincerely

PETER DICKINSON
