FORUM FOR PEACE AND RECONCILIATION

Twelfth Meeting of Drafting Committee

Dublin Castle, Friday, 26 January 1996, 9am

Draft Agenda

1. Further consideration of Draft Material on Realities/Principles/Requirements. This will be based on the revised Secretariat document F19 DC Rev 3, dated 22 January 1996 (which is being circulated to members with the agenda) and on the proposed amendments of delegations. The attached Annex indicates the changes which have been incorporated into the revised Secretariat draft. It is proposed to begin the discussion on Friday with paragraph 15 of the Principles/Requirements material, the point at which the discussion concluded at the last meeting.

2. Arrangements for presentation/publication of completed document*.

*This will be an all-day session of the Committee and it is hoped that it will be possible to finalise the document at the meeting. That being so, it will be necessary to give consideration to the next steps - reporting back to parties, presentation to Plenary, publication arrangements etc.
