

Electoral System.

(we need to pass law)

- \* Spirit - financial obstacle to minor parties
- \* lot of voters. → representation (like Denmark) ( $\frac{1}{90}$ )
- \* We do not want a hybrid
- \* DUP factor
- \* DUP / SDLP are trying to obtain IR for party advantage.
- \* Under British system anyone should be able to stand
- \* Allocation formula St. Laurent or d'Hondt. —

Transition to Representation

Interpretation of whether it's a pre-condition
--

— nothing about Pritchard.

para - advisors / researchers. —

care as no of representatives —

- diverse people -

- opt out party leaders -

diffusion between representation / advisors:  
time limited representation

"phase independent  
study is  
bad"

Forum

? (b). We should fight for our own set of laws.

External Chair

(People's Convention)

(b) has to be time limited(televis) should be public.Use of it to test result of representation

SF - distinction between parking -  
Form / registration

Option B. public of regulatory committees.

(change from "let the people ..."  
is that there is no  
descriptive)

Taking of action for form: Issue  
+/- individual public: Issue.

70% of base elected.
