26.6.47

Dear John

many thanks for your
letter of 19.6.47 re. my
introduction. I quite
understand your deary
problems. You will be
glad to know I didn't
turn on my tail!

may I say that
your contribution on the
P.M. statement was quite
the best of all the exchanges
and Adams vs. knowing you
right "yes; no; maybe"
sorry I missed you afterwards

Yours ever

Jim
