Dear Tom,

I called you this
 evening but I suspect you are in,
 or about to go to, London or up
 to your eyes with Talks etc.

Perhaps I can phone you at the
 weekend or if you get a chance
 to phone me - getting to Strategy
 will be difficult for me until
 later in the year.

I would quite like to have
 a private chat about 3 tips in
 the next week or so :

1) Practical issues re Reamien's position. Arf will consider this on the 17 Wednesday in August. I'm not sure what people's views are - my own are that we should not make a replacement appointment until Sep/Oct but in the meantime think about Debbie looking after the main office & look at a temporary part-time person. Let me know that part you later - you may ^{have} your own thoughts as may Danny, Remy & David.

2) Fundraising Ctee meets on 11 Aug. I am coming more & more to the view it should not raise money for a general account, but for specific purposes tied to political effectiveness. If so what? Fundraising Ctee should take

the decision but should be influenced.

Do you have thoughts on priorities?

3) General admin issues. We are at an interesting / predictable / important time. I think 1 or 2 things need to happen over the next week or so - I'd like to talk about it.

I realize you have other pressures but these are longer-term important for the Party.

Speak to you soon.

Peter.
