From Peter Temple-Morris MP, Co-Chairman
David Winnick MP, Co-Chairman Designate

To All Associate Members of the Body

As mentioned at the British Group meeting the Steering Committee decided in Dublin, subject to Members wishes that it was advantageous to attach Associate Members to particular Committees of the Body. This would enable them to receive committee papers and be prepared for an invitation to substitute for a full Member of the Committee, normally of their own party, as required.

The suggested placings are as follows:

Committee A ~ Political and Security

Labour	Conservative	Liberal Democrat	SDLP
John McWilliam MP	Lord Glentoran	Lord Alderdice	Eddie McGrady MP
Jeff Ennis MP	Nick Hawkins MP		

Committee B ~ Europe and International Affairs

Labour	Conservative
Margaret Moran MP	Robert Jackson MP
John Grogan MP	Robert Walter MP

Committee C ~ Economic and Social

Labour	Conservative
John Austin	Baroness O'Cathain

Committee D ~ Culture, Education and Environment

Labour	Conservative	Liberal Democrat
Andrew MacKinlay MP	David Tredinnick MP	The Lord Lester
Jean Corston MP		

We hope this is satisfactory, if any member wants to make representation we will help if we can.
