The Alliance Leader Lord Alderdice, Justice Spokesman Steve McIntyre and Chief Whip Sean Naeson met this afternoon with the Prime Minister at Parliament Buildings.

Following the meeting, Lord Alderdice said:

"In our discussion with the Prime Minister, we reflected on the achievements of the last few months. It would be easy for us to lose sight of the enormity of what has been achieved - an Agreement between the parties and in turn a endorsement from the people, which turns the Agreement into a settlement. We also need to be aware of the fragility of the settlement. There are still those who wish to undermine the settlement, either violently, or by other means. We discussed with the Prime Minister what steps can be taken to ensure they are prevented from doing so."
