### MINING NOTES.

The First National Bank is doing a brisk business in ore buying and shipping this season. Among the heaviest present producers is the

About thirty tons of ore from the

Parnell mine, in Germania Basin, were sold to the First National Bank Monday. The lot netted about \$3,000.

Two carloads of Silver King ore were shipped to the Omaha & Grant works, at Omaha, Monday. The grade of this ore is second-class and the assay value in the region

of seventy ounces of silver. A ton of Rogers. & Friday mine ore was sold to the bank on the 5th. Messrs. Morrison & Pearsons, of

Bonanza, are still shipping about a bar of gold-silver bullion every four or five days. These bars are handled by the First National Bank of

in New York City, where, experience has shown, the best returns can be obtained for refined bars. Young & Murdock shipped a little over two tons of ore from the Yankee Blade and sold the same here last Saturday.

Three carloads of Silver King ore was shipped from here Saturday.

#### The Forest Fires.

Governor Shoup, in response to telegraphic request from Ketchum last week, authorized the expenditure of \$200 in extinguishing the forest fires in this vicinity. Geo.

the rather quaint appellation of agent. A sum of \$150 was tele-"Murphyville" for the upper por- graphed to Hailey for the same ion and "Rileyville" for the lower purpose. This act of the governor mortion of that unfortunate village, was timely and proper, and as a he intervening part of the former consequence much has been accomprosperous city having been totally plished toward the desired end. The citizens, too, everywhere evinced

a readiness to turn out and do all J. D. STILL, of Challis, has ship- in their power to stay the awful ped to the Ketchum Forwarding sweep of the flames. There is little fire now in this region, and at present there seems to be but little danger of a fresh outbreak. Millions of feet of fine timber have. however, already been destroyed in the vicinity of Greenhorn, Deer

creek and other gulches lying south of Ketchum, within a distance of ten miles.

#### Counterfeits,

Complaint has been received by the counterfeiters have been at work in the northwestern territories. It is supposed in a very clear and able opinion. they came from California.--Ex.

Counterfeits in the form of lead and iron dollars and lead quarters have been occasionally discovered on Wood River during the summer. Persons handling much silver can, to be a part of the reservation, and ous coins by their ring and general

counterfeit dollars resemble the genuine so well that there is little or no difference in the impressions, introduced to substantiate the found to weigh as little as one-halt rare instances, it fails the additional test of measurement of thickness and diameter is conclusive.

#### PERSONALS.

For the "Hub"-Through Daily Maile to Caster County via Ketshum. for Lost River. T. T. Huntington returned from

the Star of Hope mine Sunday. Advices just received by telegram Silver King, of Sawtooth, which is averaging about a carload daily. J. C. Pierce, of Challis, passed tablishment of a daily mail service through Ketchum Tuesday en route from Ketchum to Clayton direct. All mail for the upper Salmon river region will go henceforth by this route. The Ketchum-Dickey route Monday. Hank Poppy, of Clayton, arrived in Ketchum from that place last

ANOTHER VICTORY

is discontinued in consequence, and the Blackfoot-Challis route will probably be discontinued also. The new service goes into effect August 14th. This makes Ketchum the Hub, or distributing point, for all mail, express, freight and passen-ger traffic to the upper Salmon and Lost River regions, as it long since

should have been, and would but for antagonizing interests without merit. Clayton has already been notified

from the Blackfoot office that Ketchtrip, \$65.90. The returning by the First National Bank of um would henceforth be the unit of the sector of the sec this place has received official notification of the new route and change in service and expects to handle a rousing mail on the 14th instant. This change will materially increase the revenues of this

office. The greatest good effected by the change, however, lies in the fact that it will lessen the time be-

their common interests.

an attempt to shoot the latter, resulted in the discharge of defendant after a preliminary examination before Justice Hodson, Tuesday, there having been no evidence charges made.

THE Ketchum Spring-Water Supply Company has entered upon the second month of its business life under the most favorable circumstances. Early customers are well pleased with the service, and new ones continue to drop in. The wooden pipe has stood admirably thus far, and the water supply is abundarit.

GILLETTE & EVANS, who have supplied the community with pipe and hose for the new water service, have given universal satisfaction in the grade and quality of material supplied. One lot of hose having proven unsatisfactory was cheerfully and promptly replaced by the firm and the hose returned to the manufacturers.

THE Boise Statesman publishes a summary of those delegates to the constitutional convention whose services were active and valuable to that body but for some unaccountable reason fails to make mention of "Proxy" McMahon from Alturas county. Perhaps the Statesman did not observe his stateform in that august assemblage.

THE Guyer Hot Springs are overfowing with patronage and every trailable corner is occupied by suests. Nothing speaks better for cisco, Cal., has just issued, in book form, a resort than such immense pat-mage in the face of inadequate flood, finely illustrated and complete in accompany of the Johnstown flood, finely illustrated and complete in accomplete Market accomplete in accomplete Accomplete Accomplete in accomplete Accomplete Accomplete in accomplete Accomp accommodations, A movement is how on foot to build a commodious hotel at that popular resort and nothing would please pleasureseekers better.
