From the Private Secretary

Dear Jonathan,

CALL ON THE PRIME MINISTER BY ARCHBISHOP EAMES

May I correct a typo in my letter of 18 November which might be causing confusion?

In the penultimate line of the second paragraph on page 2, the words quoted should have read: "unbelievable change".

My letter should also have been copied to John Sawers and Sir Robin Butler. I am sending copies of this letter with the letter under reference.

Errors regretted.

*Yours ever,
Roderic*
