

Some Situation (A) more or demand; pol + sec + econ
working well.

GA + JN looking to buy FF in front the
Gov. Note And their

(B) Why {
i) JN clear yardstick (raised expectations)
ii) JN making it on (Austin / international)
iii) GA And their 1/3 Res. &

• Why - no need (for below)

Options 1. RA - low - too difficult to fit (but low in context
= with)

2	speech - last on 1 Feb v. push (with timing) (but a start!)
	Vision seems makes it natural

3. Tyone Crystal + Christmas Statement - ✓

and for
4. TCH JN

~~considering implications; we are not yet
ready to come to conclusion; bring
questions about the documents, but
on return (he can tell also that if he
had) - no good of And their,
OK as yardstick.~~

Q/S: look forward to talking to them on
return (at least on JN).
