- Will it deliver peace? I will have to qualify that at the moment. Time doc: 4 weeks ago → pol. clearance.
- Trying to blackmail Brit.: No! (conscious) genuine fear of Am. taken into a/c.
- stated obj. of prov. - we all know: field a mood that has to get view of coming to mind. varied ground and one a couple of meetings to me.
- our practice libro x
 - behind a whole x
 - persuade x
 - violence x
- U.S.: we have communicated. hope Prov. w.d. will then in at least 3. moly.
- Fair: well balanced doc: cessation of violence is what it's about
- real fear about future: majority - do we really believe
- Doc. merger things - time: find a way for the communities to get on.
 Pull the violence out of society: generational process: young luther: stop recruitment of new Gen.
- If prov. violence stops, is will less.
- If we don't get the result.. we cannot allow to spread hollowed view that peace is out there

- cannot allow it, where they become guardians of det. man point.
- my info. is that mood is still there.
 - End up with split - terrorist movement: work save.
 - not within 7 let atrocity.

J.M. - Both frustrated by last fortnight - mood on both more diffident.

- Both sides had reasons: leave past behind. only IRA loyal, it's about ed. benefit.
- maybe a good deal more drama over new for week?
- Potential disagreement? squabble?
 But this of unlikelihood of this morning, a few months ago. agreed text forming man of violence to lay down arms.
- really believe - reasonable fear! Closed out last fortnight.
- really to meet genuine fear 7 people (very)
- * - intent to meet those fears lucidly but doc. implicitly - not historically understood but not other.
