MR MAY* [1]

JOINT DECLARATION - POSSIBLE SEQUENCE OF EVENTS

The Annex to the Secretary of State's minute to the Prime Minister (circulated in draft by Mr Cooke yesterday) contains an illustrative sequence of events for the JDI. I had prepared a slightly fuller version of this which we agreed in the VCR this morning might be of some assistance in drawing up your handling plan. On reflection I thought it might also be useful for others to have for reference. A copy is attached.
