THE PRIME MINISTER

13 December 1991

Dear David

Thank you very much for the arrangements which you and your team made for my visit to Dublin last week.

I know that even a short visit involves a lot of hard work. I hope you will pass on my thanks to all those in the Embassy who were involved.

I look forward to seeing you here on the first of the regular meetings with the Taoiseach.

*Yours sincerely,
John Major*
