10 DOWNING STREET

Roderic

WG had been
looking at afternoon
of 16 June for
possible out-of
regional visit.

However, neither
Mare nor Jonathan
thru have yet
started working
our proposals, +
(although the latter
thinks the PM would
be better advised to
meet ordinary people
than the Taoiseach!),
there are no diary
problems this afternoon.
Can you let me know if
you can? S
