From the Private Secretary

17 December 1993

Dear Simon,

Thank you for your letter of 16 December to the Prime Minister. He has left town for the weekend, but I shall send it to him with the next batch of papers. I know that he will be warmly appreciative of your support.

May I send you my best wishes for Christmas, and for a relaxing break in Nigeria.

I should be grateful for a draft reply from the Prime Minister, if possible by 1700 on Monday, 20 December. It should be addressed, in my absence, to Alex Allan.
