From the Private Secretary

17 December 1993

Dear Simon,

LETTER FROM DR PAISLEY

I enclose yet another letter from Dr. Ian Paisley, which we have received by fax overnight.

Dr. Paisley entirely fails to prove his claim that we have given the Irish Government joint jurisdiction over part of Her Majesty's dominion.

I should be grateful for a draft reply from the Prime Minister, if possible by 1700 on Monday, 20 December. It should be addressed, in my absence, to Alex Allan.

Yours etc,

Roderic
