

5 March, 1986

From Right Hon. H. J. West

Rossahilly
Enniskillen
Co. Fermanagh

Dear John

I was privileged to chair a press conference this morning to launch a new political initiative in the form of the Northern Ireland Charter. There was considerable interest from a large gathering of the media.

I enclose a copy of the 'Charter' and seriously request that you would urgently respond to it in writing. I also request that you include for the response of a wide section of your colleagues.

Yours sincerely
Harry West.

John Cushnahan.
