BILATERAL MEETINGS: 20 AND 22 MAY

I attach copies of the record of the bi-lateral meeting which took place on 20 and 22 May between the Government team and representatives of the Alliance Party.

2. These will, of course, remain confidential as between the Government team and your delegation.

3. I hope you agree that they constitute a fair and accurate record. If there are any material inaccuracies I should be glad to take receipt of suggested amendments.
