Dear Dr Alderdice

On behalf of Queen's Alliance I am writing to extend to you and to the rest of the Alliance party team our best wishes for the inter-party talks.

We know that you will represent the Alliance Party and our voters admirably, and will do your utmost to see a successful outcome to the talks.

May all those involved realise that this may be "the last change to be part of an historic settlement".

Again our best wishes and continued support.

Yours sincerely
