Dear Mr Hall-Raleigh

Thank you very much for your letter. I am of course quite familiar with the very interesting and worthwhile work of Dr Edward de Bono, whose imaginative thinking has been of considerable significance and I will happily add his name to the long list of suggestions under consideration by the various parties.

With best wishes.

Yours sincerely

Dr John T Alderdice  
PARTY LEADER

Dear Dr. Alderdice,

If no decision has yet been taken  
reference an independent chairman for the second round of  
the proposed talks on the future of Northern Ireland, I  
would like to suggest that serious consideration be  
given to Dr. Edward de Bono.

Kind regards,  
Yours sincerely,
