Mr Terence Moffett  
3 Academy Street  
Ballymena

Dear Mr Moffett

Thank you for your suggestion of Mrs Catherine McGuinness as Chairman. I know Catherine well and have no doubts that she should bring an extra dimension to the talks process.

The question of proposals actually lies with the two governments but I will happily add Catherine's name to the list of that which the Alliance would be happy to consider.

Thank you for your interest.

Yours sincerely

Dr John T Alderdice  
PARTY LEADER
