work referred to there — ? Planning on Friday.

— member — personnel of sub-committee.

J. Hain.

Feels that this fits the problem to the institution,  
rather than fits the institution to the problem.

Feels he has achieved the modernization of institutions.

Is it worth asking whether there is a realization that his  
approach meets suspicion?

J. Robinson 18 - A modern administration (through legislation) -

18 - one province-wide assembly. - 17x5.

18 - local government structures
