

Philip

4/27/52

The Irish people who are not nationalists.
 Famine for people throughout the island.
 We are a rotten victim of many (British)
 Extrusion the likes to kill more Protestants.
 Must reach a consensus on the constitution - removal
 of involvement - not a bad idea into United Ireland
 - jumping up to the old myths. Legitimate story

● Philip

Board ① opening statement =

Edwin Board 3 also? - unique position of Alliance. SDLP
 they to discuss us but unsuccessful. Be consistent.

Feeling of the people - hopes for the talks. - national principles,
 know where we are going. We have hoped to get the -

The others may not have worked it.

Steve. Distinctive independent line. Essential issue is union vs 1.
 reject the notion of a British Irish Confederation. But we do
 need to get the external relations right. Different messages for
 different people / different analysis. GWG. Historical context
 part of a continuing process picks up for treaty - required
Address for me state the international expectations. There are
 some relevant things said in Steve 3. The
 problems that other have.
