

1. a) Common Threads - papers.

b) Summarize our own papers.

2. Bilaterals

3. Process

Alliance Party - better relationships + seek reinforcement - confront it
- see where shared content is
- agree something to work with them to achieve something

SDLP

- working relationship but build more trust.
- added value stuff
- pressurising relationship + show they need us.
- shared content / common threads.
- NIWC pivotal

SF

- confronting political position.
- get charter
- check if will support agreement for common platform.
- maintain relationship
- added value.
- community voice ~~through~~

UUP

- confront them about the WC.
- could achieve more by working with us → PR.
- agree something to work with them to achieve something
- sell strategic NIS; Council of Regions; ~~...~~
civic assembly NIS to get nations end.
- NIWC expertise from different sectors.
partnership with others.
- need to show them what they have to lose.
- ask them difference DUP / UKU + UUP.
- outline what UUP doing.
- relationship with loyalists.
- preparing for referendum → presenting a programme

PUP

- electoral mandate
- 4 smaller parties
- help in relation to UUP.
- relationship with UUP

UUP

- help in relation to UUP
- relationship with PUP

- Labour
- keep on board
 - talk to them more
 - pre-meeting

- Brit g
- have to have a relationship with the people more complex.
 - got advisors
 - what sort of project → people's process → strategy
 - build their confidence that they can do it.
 - following bi-laterals what plan for plenary.
 - proactive, common paper
 - Irish got
 - UK devolution impacting on this process.
 - added value.
- looking to process up
2nd process?*

- ~~Irish g~~
- sell up*
- Irish g
- UK devolution impacting on this process.
 - equalisation in Ireland re Obj 1.
 - making self-executing Euro convention on HK.
re Irish constitution.
common Bill of Rights NIS.
 - their relationship with parties
 - raising debate in S re NIS bodies.
 - add value.

- Mitchell
- what we are doing
 - common needs paper
 - added value
 - Euro convention on HK. re salt.
 - NIS strategic framework bodies.
 - public communication
 - proactive ^{drawing out} → stake clarification
 - stake clarification re other parties.
 - use to prompt & smaller parties / value.
 - facilitate a meeting between NIWC & MEP.
or between NIWC & S.D.L.P. or NIWC & A
