Dr J Alderdice
Room 11

BILATERAL MEETING: 30 APRIL

I attach the record of the bi-lateral meeting which took place on 30 April between the Government team and representatives of the Alliance Party Delegation.

2. This will, of course, remain confidential as between the Government team and your delegation.

3. I hope you agree that it constitutes a fair and accurate record. If there are any material inaccuracies I should be glad to take receipt of suggested amendments.
