Alliance Leader, Dr John Alderdice, has made the following statement on the Brooke Talks.

Dr Alderdice said

"We have received only garbled and incoherent accounts of the Unionist position or positions over the last few days. The Alliance position remains clear - 'the talks are more important than the venue'.

"The Secretary of State, Mr Brooke, has undertaken to provide us with a reliable account of yesterday's proceedings but until this muddle is clarified we can make no helpful comments."
