Dear ~~Dr Gray~~

Thank you for your much for your letter enclosing the resolution from your Kirk Session.

The last few weeks have been particularly difficult and frustrating, but it has been a continual source of support and encouragement to us to know that we are borne up by the prayers of God's people.

Please pass on our thanks to your Session for their interest and assure them of the value we place on their prayerful support.

Your sincerely

Dr John T Alderdice
