

21.9.92

(Dublin Castle)

William - all expressed appreciation

JH noted that the fact that the throne in Dublin Castle was presented should make the unions feel welcome at home. The fact that the throne was empty made the SDLP feel at home!

Arrangements made about workshop times (i.e. Strand 3 meeting on Tuesday evening.)

JH asks for 'ambiguities' to be clarified

Agmt accepted and note taken of objections to SDLP programme.
