Mr Tom King MP  
Secretary of State for N Ireland  
Stormont Castle  
Stormont Buildings  
BELFAST

Since at present we are putting together a written response to your request for submissions to the Review of the Anglo-Irish Agreement, I would request from you some information on the workings of the Conference, and the Maryfield Secretariat.

In particular, I would welcome a statement on the subjects which have been raised at the Anglo-Irish Conference over the past three years, the number of meetings held during each of the three years, and the matters undertaken by Maryfield Secretariat. In respect of the latter, I would value information on the number of Civil Servants from each jurisdiction who are working in the Maryfield office, their remit, and the areas of study and preparation undertaken for the Anglo-Irish Conference, and any further work which they have undertaken.

Best wishes.

Dr John Alderdice
