Dr. John Alderdyce,
55 Knock Road,
Newtownards,
BELFAST.

12 October 1993.

Dear John,

Thank you very much indeed for meeting me at your house at such short notice last Monday week. I am sorry that our meeting was so short but it was my fault for ordering the taxi, which gave me a very tight schedule.

You really would be more than welcome to let me know when you are in Dublin. I should be delighted to arrange meetings for you with anybody who you feel it would be useful for you to talk to.

With very best wishes and many thanks.

Yours sincerely,

SENATOR SHANE ROSS, (FINE GAEL)
DUBLIN UNIVERSITY SENATOR.
