Dear John,

Thank you for your letter of 16 June 1995 enquiring about the outcome of a study into the issue of public transport in Belfast.

The study which you refer to was undertaken jointly by Queen's University, Belfast and the University of Ulster at Jordanstown.

The report has now been published and I have made arrangements with Professor Austin Smyth of the Transport Research Group of the University of Ulster at Jordanstown, for a copy to be sent direct to you.

Yours sincerely
Malcolm
