Market Movers (As. Secretary of State)

- ① Role of inward investment (what type? ② how to get into areas of greatest need? How do you get the banks to lend to SME's)
- ③ Export assistance.
- ④ Arrive in transition from 'rust-belt' industries including training, developing the economic infrastructure (the physical structures do not mirror the economic regions - eg Jersey/Portugal)
- ⑤ How to bring R+D to SME's
- ⑥ Tourism on the island as a niche (in the US it is the highest source of foreign currency)
- ⑦ Technical assistance & training. (can the IPI help.)

Verbal + better words than such actions. get support when people feel frightened or excluded.  
his efforts have helped to bring both sides forward - deflection from DUP. - that's it.

It is clear that John Home is deeply uncomfortable & unhappy at present. He is very antagonistic to the NDI suggestions about South Africa. It is also noticeable that when Tom Fyfe (who did rather go on during his speech to the Forum) was rather complimentary to myself - he (TF) allowed himself to say 'the total worth of this' that this night was
