## Alderdice congratulates shipyard

Alliance Leader and East Belfast Councillor Dr John Alderdice has congratulated Belfast Ship Builders Harland and Wolff for their negotiating a major new order.

Dr Alderdice said

“Everyone knows that the marine construction industry is an enormously competitive business and the fact that Harland and Wolff have won this order is not only a matter for which congratulations are due but is also an indication of their high standing and widely appreciated expertise.

“Everyone from shop floor to senior management should not only take reassurance from this order but also a sense of justifiable pride.”
