ALDERDICE CONDEMNS MANCHESTER BOMB

Alliance Leader, Dr John Alderdice, has condemned today's bombing in Manchester, and called on Gerry Adams to split from the IRA.

Dr Alderdice said:

"If this bomb is, as it appears to be, the work of the IRA, then Mr Adams and his colleagues are left with two choices. Either they condemn this atrocity, and the murder of the Garda officer earlier this week, split away from the IRA, and join the democratic process, or else, they remain at one with the IRA, stand condemned by the rest of the people of these islands, and exclude themselves from further Talks."
