ENNISKILLEN BOMB HAS US ON THE BRINK - ALDERDICE

Alliance Leader, Dr John Alderdice, has condemned last night's bomb in Enniskillen.

Dr Alderdice said:

"There are dark and sinister forces in both the unionist and nationalist sides of this community, who are determined to force us into the nightmare of a final conflict. This callous bombing, which could have wreaked even worse havoc, was calculated, not only to take life, but also to kill off any hope of peace, and I would condemn it utterly.

The bomb comes in the context of a unionist breach of the Mitchell Principles, which has taken us to the brink of a nightmare. By their actions the Orangemen, and the unionist leadership have this week hitched their wagon to dangerous and criminal forces. I would call on ordinary decent people in Northern Ireland to make their voices heard to these irresponsible leaders, before their voices are drowned out again by the sound of bombs, and gunfire."
